Ohio Ladies en a Bar-Reom Prayer

Crusade. The crusade of the women of portance. A dispatch from Cincin-

ladies are zealously besieging all tive herbs found on the lower ranges of countries where Liver Diseases most prevail. saloon keepers has signed their decreased two-thirds. pledge and joined in with the services held in his former bar-room. The same man had hired a band last Friday and tried to give a ball, while the ladies were in front singing hymns and praying. Towards evening the dancers went to the dwelling of the manager and told him they could not stand this. They abandoned the holding of the ball at his house, and went to the extreme lower end of the town to a

hall that was away from the prayer At Waynesville, Warren county, several salooa keepers hold out, and it is said the roughest men find it sometimes impossible to restrain tears as the ladies kneel on the flags in the cold or storm. A picket of ladies watched the saloons on Saturday night and immediately surrounded the doors when any man tried to enter for a drink. One of the saloon keepers has sold his has been accomplished. The out, the evergreen, hanging moss from ing it. His brother Jonathan carristock to an active promoter of the crusade, and he will move West. Deputations of ladies visit each Waynesville, the largest temperance meeting that has vet been held assembled. The enthusia m was such that the meeting continued for over three hours. At one time the packed multituded arose en masse to testify that they would never cease their efforts till the last

vestige of the whisky traffic is banished from the town. At London, Madison county, the groceries and drug stores. The signed the pledge. The saloon keepers number twenty five, some of whom are hostile and some noncommittal. If ordered out of a saloon the ladies immediately organize their prayer meeting on the we will send the ladies to these places, and if an insult is offered to them, if a hand is laid on them, let us see it; let them dare to touch my wife; we will rise as one man and

enforce the laws of our country." At McArthur, Vinton country, the excitement is the most intense ever known in the village. The ladies are making the rounds of the P. M., connects at Greensboro' with the saloons daily, and at each one they Northern bound train; making the quickest present the pledge to the proprietors to quit the sale of intoxicating quors. One of the dealers capitulated closed his saloon, and signed both the personal and On Sundays Lynchburg Accommodation dealers' pledge. The remainder of the dealers have agreed to quit the business as soon as they can At New Vienna, Clark county,

> saloen keeper, J. C. Van Pelt, defies the crusaders. He, being February. kindly disposed, brought out a beer keg apiece for seats, and they were arranged in the form of a semicircle around the door. The order of exercise was :- First, prayer and

Explorations in Palestine

The archæologist M. Ganneau, while at Jaffa, located the ancient cemetary of the town, the full exam-Jerusalem he revisited the site which he had previously identified as the Biblical City of Gezer, where he was able to trace in part the plan of the old city and the position of its houses and suburbs. In Jerusalem he has examined a num ber of Judæo Greek sarcophagi, with inscriptions. They were found quite recently on the Mount of Olives, not far from the site of the names of Simon, Martha, and Lazarus in connection with the lo-

upon as responsible for no small part of this industrial retrogression. though the great trouble is thought

Dr. LIVINGSTONE. - The news of

Herr Brenner, the German explorer of Africa, in a letter to Dr. skill and labor are their capital, and cophagus is finished, and other con- had in their defence more than Petermann, of Gotha, dated Zanzigenerally patronized by the neight templated changes made in the 200,000 men in the field at one bar, says Livingstone died on the 15th of August. This date differs article infinitely cheaper than the most fitting monument to our grand 3. From 1861 to 1865 the Con- from that of a previous report, but foreign one; so that in this way the old chieftain, who proved himself federate forces actively engaged all doubt has been set at rest by an official dispatch received by the British Government from Zanzibar. This dispatch states circumstantial. the incorrigible and combative of their own communities- EDWIN tee now have on hand funds suffi. 5. Losses of prisoners counted as ly that Dr. Livingstone died at Lobisa, after crossing marshes, with into murble that splendid creation ted States policy of exchange, 200,. the water, at one time three hours consecutively, above his waist .--The sufferings of his whole party No doubt every farmer desires stars, which will unquestionably States army by discharge, disability were terrible, and ten of them died to be known as an intelligent and give our young artist a place fore- and desertion amounted to 100,- in consequence. The members of Cameron's expedition were suffer ing from fever and ophthalmia, but force of the Confederate army was would await the arrival of the Doctor's remains and bring them to Ujiji. From the latter place they would be conveyed to Zanzibar, These facts are taken from cal- where it is expected they will ar-

Boys, Mind your Commas.

The comma, like the tongue, is a little thing, and like it will make good sense or nonsense, just according as it is used. Take, for instance, the old nursery rhyme. With the commas misplaced, it is so nonsensical that it needs a commentary to explain it:

Every lady in the land Has twenty nails on each hand. Five and twenty on hands and feet : This is true without deceit,

Alter the position of the commas Every lady in the land Has twenty nails, on each hand

Five, and twenty on he This is true without deceit. An auctioneer once advertised a
